

Watauga Cooperative Extension 2024 Fruit Plant Sale<https://watauga.ces.ncsu.edu/>email questions to wataugamastergardener@gmail.com

or call our office at 828-264-3061

Proceeds from the sale are used to support horticulture programming and community horticulture projects.

General Info: all plants must be pre-ordered by Friday March 29th and must be picked up Friday April 19th from 12:00 pm-6:00 pm or Saturday April 20th from 9:00 am-12:00 pm.

Additional Order Forms are available at our office at 971 W. King St.

All orders must be prepaid with either a check made out to Watauga County or cash.

- ✓ **If paying with cash, please have correct change as we do not have access to cash.** We're sorry we can't take credit cards. As a state institution it is still difficult and expensive. Once we receive the payment for your order it will be processed by a Master Gardener, who will email you a confirmation.

Getting your order to us:

- ✓ **Mail your order to:** Watauga Extension Service 971 W. King St. Boone NC 28607.
- ✓ **Drop off at our office:** Please drop orders in the box marked "Fruit Plant Sale" in our front office, a Master Gardener will enter the orders as they are received and paid for, and then will email you a confirmation and a receipt along with a scanned copy of your order.
- ✓ **Email order form:** wataugamastergardener@gmail.com This is really to help people who don't have printers and want to email their order. You will still need to mail or drop off your check. **Your order will not be entered and confirmed until we receive your payment.** Make sure the check has the same name as the form you emailed so we know which order it goes with.

Order Confirmation:

- ✓ **Receipt will be emailed** to confirm your order has been received and processed.
- ✓ **Availability of plants:** Once we sell out of an apple variety we can't get more. We sometimes need to make substitutions, especially towards the end of the sale. Before mailing a check, please look at our website where we will list items we have sold out of. We do try to contact you if we feel like we don't have a substitute that is very similar. If you aren't willing to take a substitute, please be sure to check "no substitutes" on your order form.

Picking Up Plants:

- ✓ **Pick up plants Friday April 19th 12:00 pm-6:00 pm or Saturday April 20th 9:00 AM-12:00 PM**
- ✓ **PICKUP LOCATION:** 252 Poplar Grove Road. Enter Conference Center building by right set of doors.
- ✓ Later pick up dates can be arranged, but we can't guarantee the quality for extended periods.

What to expect from the plants:

- ✓ Blueberries will be sold in 1 gal containers with soil, blackberry, and black raspberry in 32 cell plugs.
- ✓ All other plants will be sold bare root (no soil attached to roots) The root system will need to be kept moist and should be planted as soon as possible.
- ✓ All plant varieties are selected based on their hardiness, disease resistance, and other qualities, based on recommendations from NC State specialists, and other research-based publications.
- ✓ All plants are best suited for full sun (6 + hours) locations.
